

## This New Driver Wins Radio Fans

*No. 550 Original Perfect Handle Cabinet or Radio Screw Drivers*  
2½" to 12½"

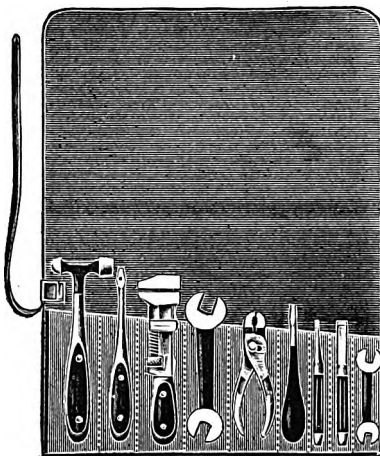

**I**NCREASE your sales by selling this slender bladed, straight bitted driver capable of reaching the impossible places. A new complete addition to the ORIGINAL *Perfect Handle* line which progressive dealers are not overlooking.

7,000,000 *Perfect Handle* Screw Drivers and more than 20,000,000 *Perfect Handle* tools are now in use—each a good working advertisement for the entire line. Why experiment?

The new Cabinet Screwdriver (No. 550). For electricians and radio workers especially. Slender blade for hard places. The steel from end to end is a solid one-piece forging.

We also furnish *Perfect Handle* tools in COMPLETE KITS. So many buyers of our tools, who know values, insisted we furnish individual sets for their own motor cars that we decided to make up four different KITS ranging in price from \$5.00 to \$10.00. Send for descriptive price list. Packed in attractive boxes for Holiday trade.
